This Way

*We should wipe our eyes
and consider from this very day,
Death is not a stranger,
and we must all pass this way,
Some to stay many years,
and some years are few,
but someday We'll pass this way,
it's something we all must do
Life in this world is but a short visit
and a debt we all must pay
We're traveling from time to eternity
We all must pass this way.*
